Re: U. S. Patent Application # 10/042,432

Technology Center 2600

I received a Notice of Correction for my patent application. I fixed it and mailed it back on March 21, 2002. I made a following up the next day to the U. P. S and said your office received it on March 22, 2002 at 9:49 A. M.

I called your office three times and they said they did not receive it yet. Please advice me if you did not receive it yet so I can send another copy of those documents. I also enclosed a photocopy of a filing certificate of my patent from International.

Very truly,

Khosrow Bahrayni-M.
